

June 19, 2020

Triangle Bible Church remains committed to the godly edifying of the local assembly during the outbreak of COVID-19. For the safety of all who attend in person and in honoring the “higher powers” ordained by God, TBC is implementing a self-monitor daily process required for all who attend.

If an attendee of the assembly answers YES to either Question 1 or Question 2, then that person should stay away from people and call their health care provider.

Question 1

Have you or anyone in your household been diagnosed with COVID-19 or are awaiting testing/testing results, or has any health department been in contact with you and advised you to quarantine?

Yes - do not attend in person and remain self-quarantined for two consecutive weeks.

No - you can attend if not experiencing symptoms

Question 2

Since you last attended, have you had any of these symptoms?

- * **Fever**
- * **Chills**
- * **Shortness of breath or difficulty breathing**
- * **New cough**
- * **New loss of taste or smell**

Attending After Sickness

You may return to attendance in person after experiencing sickness when you can answer YES to ALL three questions:

- 1. Has it been at least 10 days since you first had symptoms?**
- 2. Has it been at least 3 days since you’ve had a fever (without using fever reducing medicine)?**
- 3. Has it been at least 3 days since your symptoms have improved, including cough and shortness of breath?**

PLEASE KEEP A COPY OF THIS AT YOUR HOME
