Baal בַּעַל = “lord”, “owner”, “master”, “husband” – the supreme male divinity of the Phoenicians or Canaanites.

First used in the Bible in Num. 22:41 in the Balak/Balaam incident, but it's used here as merely a designation of the places of Baal – *And it came to pass on the morrow, that Balak took Balaam, and brought him up into the high places of Baal, that thence he might see the utmost part of the people.*

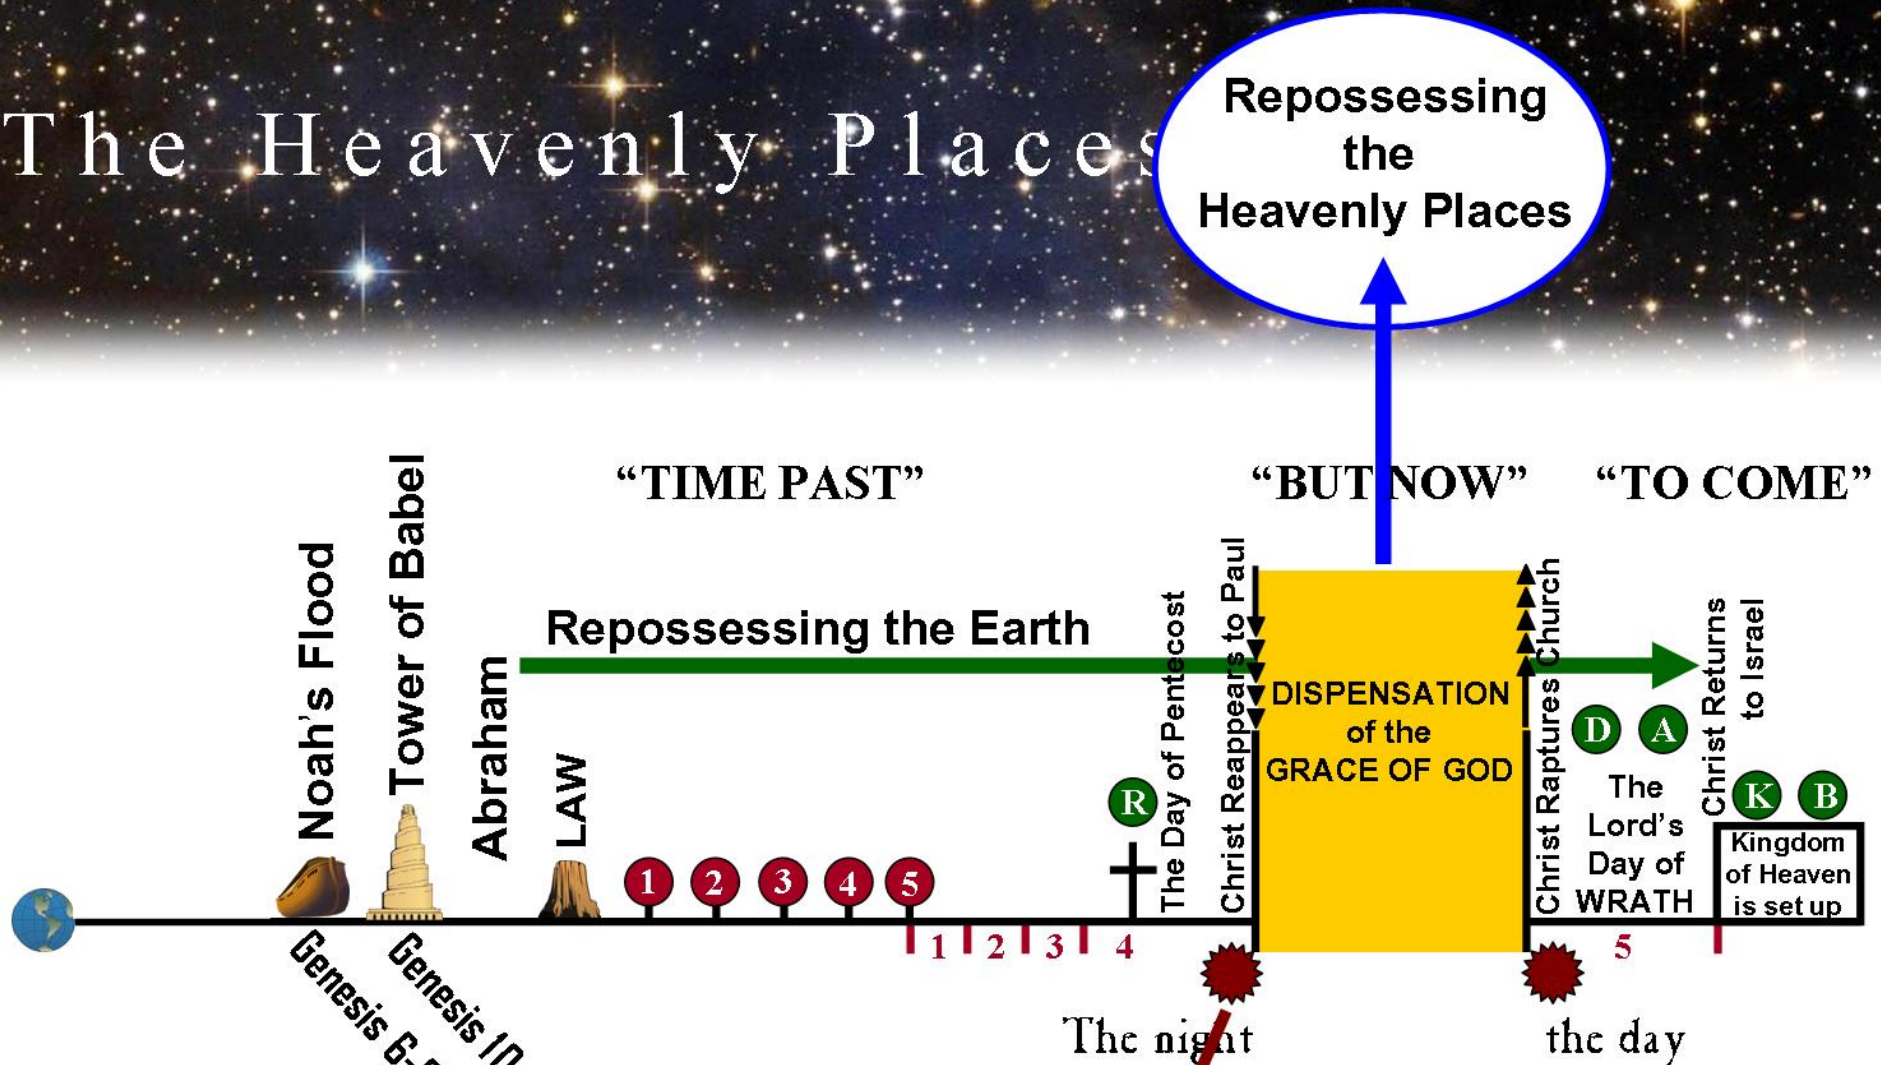

First used in direct reference to Baal himself in Judges 2:13 *And they forsook the LORD, and served Baal and Ashtaroth (= “star” – the false goddess in the Canaanite religion, usually related to a fertility cult).*

(Connected to Nimrod, the Tower of Babel, & Babylon.)

DEFINITION OF “*THE NIGHT*”:

“*The night*” is a description of the historical development of how things have progressed through time as far as the Adversary’s aims, goals, objectives, and activities are concerned with the Earth and the Heavenly Places.

DEFINITION OF “*THE DAY*”:

“*The day*” is the Day of the Lord when God deals with the Adversary **in finality** (along with all that he has produced by his Plan & Policies of Evil in his “*night*”) and therefore **ENDS** his reign of ‘darkness’ and the *night* of this world – and therefore brings the **LIGHT** of truth, and the **LIGHT** of His Day and all His activities, aims, goals and objectives to reign and to dominate – and to do so forevermore, both in the Earth and in the Heavenly Places (i.e., in all of creation as a whole).

TITLES OF SATAN (THE ADVERSARY):

1) The Prince of the Power of the Air
(Ephesians 2:2)

2) The Prince of this World
(John 12:31; 14:30; 16:11)

DEFINITION OF “CAST OFF”

DEFINITION OF “PUT ON”

To adopt, to embrace, to accept, to own to the point of publically expressing one's love for, or desire to be identified with or associated with the truth of God's word in contrast to the untruth of the *works of darkness.*

10 When wisdom entereth into thine heart, and knowledge is pleasant unto thy soul;

11 Discretion shall preserve thee, understanding shall keep thee:

12 To deliver thee from the way of the evil man, ...

(Proverbs 2:10-12)

discretion = a further development of sonship decision-making skill that now focuses upon the son's conduct & behavior in view of maintaining & retaining his good reputation and pure conversation so as not to bring his conversation and/or cause into disrepute, disgrace, discredit, dishonor, or even basic disfavor with others. Knowing the high cause personally, and the highness of his Father's business, godly discretion is the key to the son successfully realizing the reward of the inheritance and qualification to manage the operations of his Father's business, whereas indiscretion would result in ruining his conversation and losing his reward and high position in his Father's business.

understanding = a shared intelligence (or awareness of what is going on) between the Father and the son whereby it can now be said that when it comes to receiving the education as a son, the son and his Heavenly Father share the exact same comprehension of the curriculum: they think about it the same way, even to the point of having the same sentiments and feelings about it. Concerning the sonship curriculum, they have the exact same mind about it in every respect, and mutually act upon it in the exact same way.

preserve = to cause to continue whole, unbroken, or unimpaired. The idea of preservation is that of provision against deteriorating or destructive influences, accidents, or dangers. Vigilance and the use of preventive or counteractive means are the methods of preservation.

keep = to hold in some desirable relation to one's self against separating forces.
